EMPLOYMENT

Sullivan & Company (2012-present): Graphic Designer. Write copy for e-mails, web content, and mailers. Post cards, business cards, logo design, web design, product photography & image editing, web banners, minimal web coding and CMS website maintenance.

Sage Hill Design, Inc (2012-2013): Contracted Graphic Designer

Logos, sell sheets, fact sheets, branding, re-branding, concepts, direct client interaction, working with a team of designers, time management.

Care.com (January-September 2012): E-mail Care Force

Customer service, work from home assisting account holders with any question about the website or their account. Communicated with the office, leads, and other Care Force members through Skype chat during every shift.

Bristol Community College (2009-2012): Work-Study

Student assistant for the head of the Art & Design Department. In charge of two separate MAC computer labs. Assisted students with questions about using Ai, Ps, and Id. Kept both labs clean and tidy so they were a productive, and pleasant, place to be. Also did special projects for the department head.
