

Blog Home

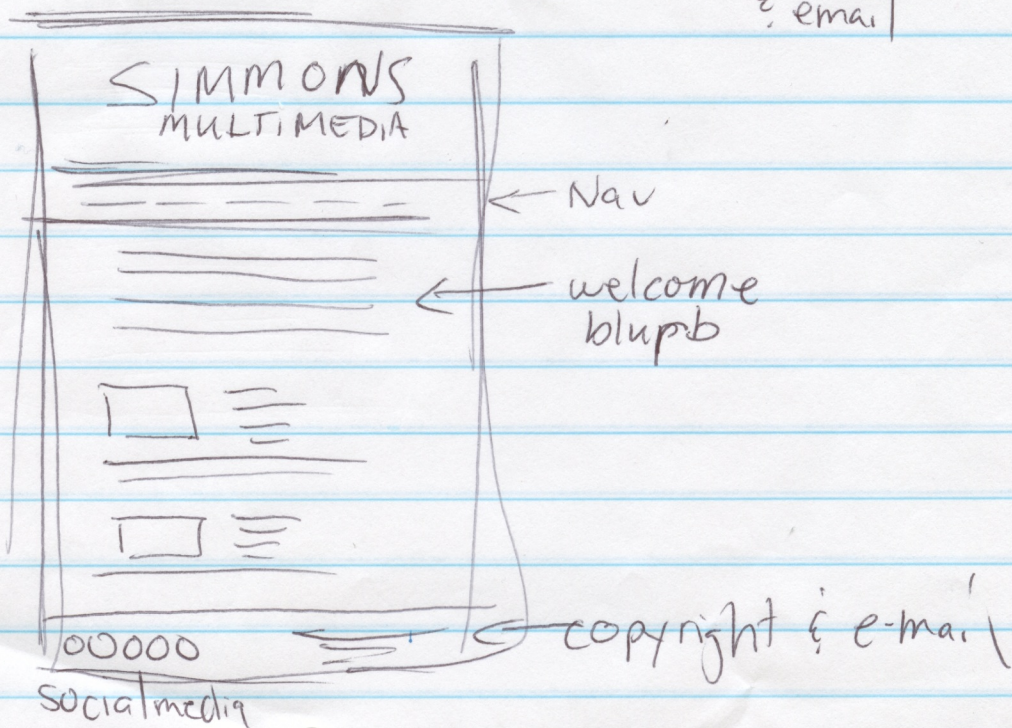

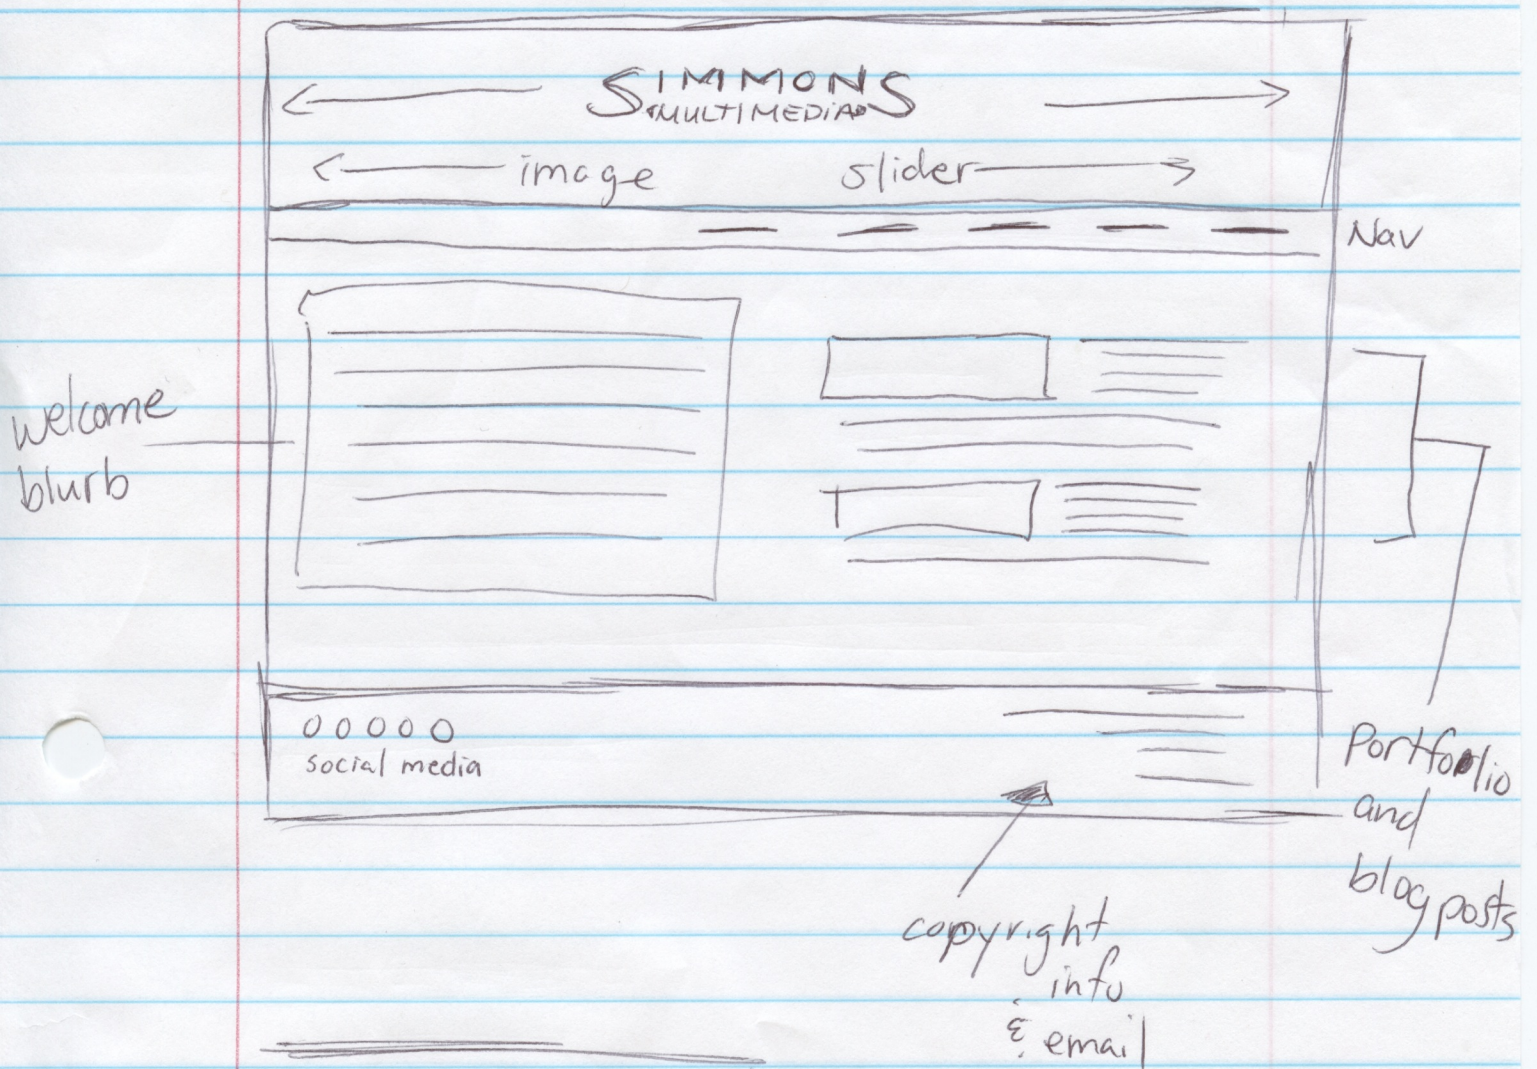

Includes
title, Date, -
Time, Picture
and the first
few sentences
of post description

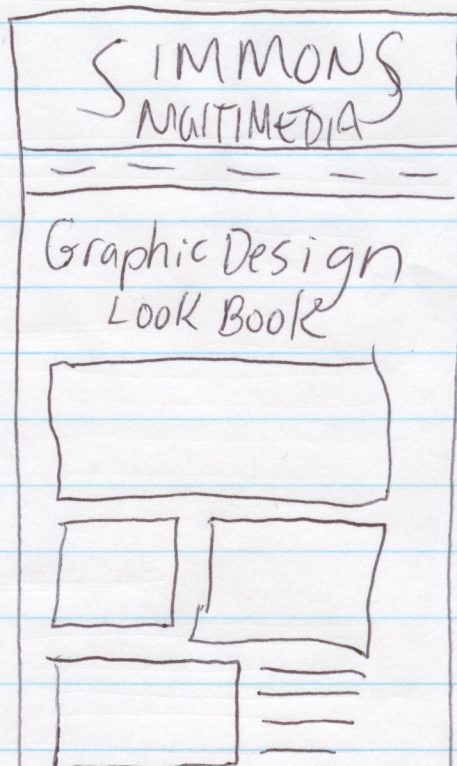

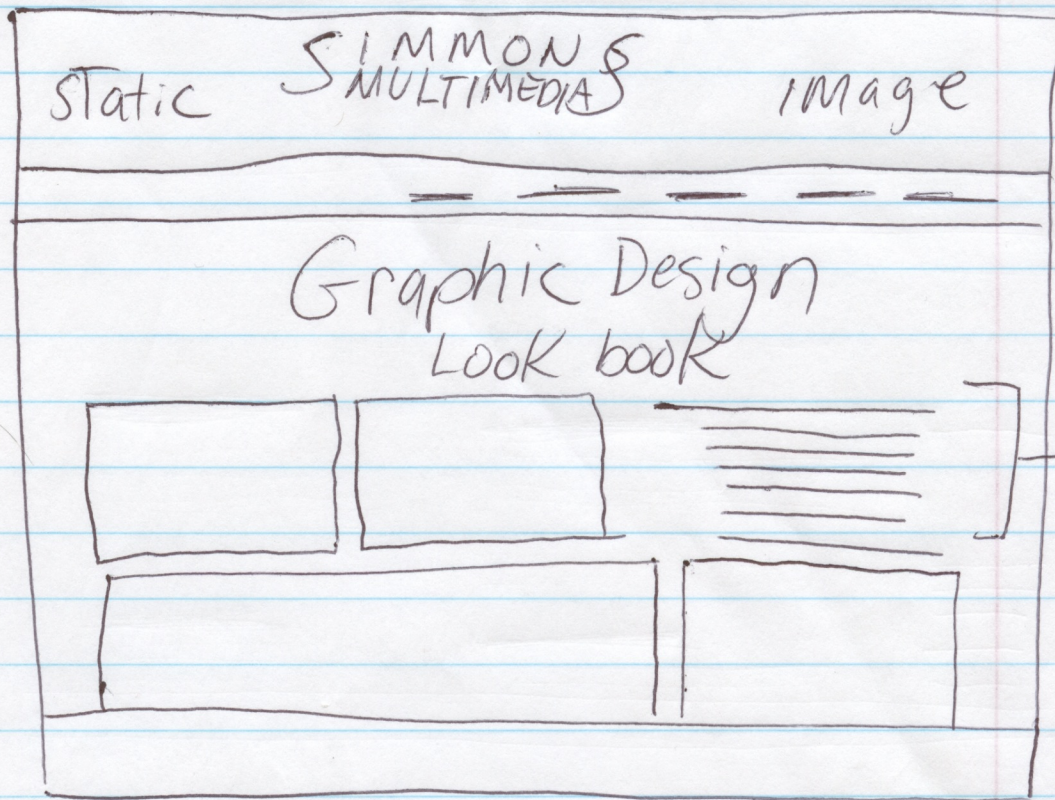

Breakdown
of posts
by month

Home page

Portfolio Items

Uniquely
sized images
to make
a very
cool looking
grid to
display images
of my work

The mobile
version
will feature
a less
complex
grid but
will share
in ~~the~~
similar
functionality

within
each
grid
will be
a small
description
of the work
and thought
process behind

Portfolio

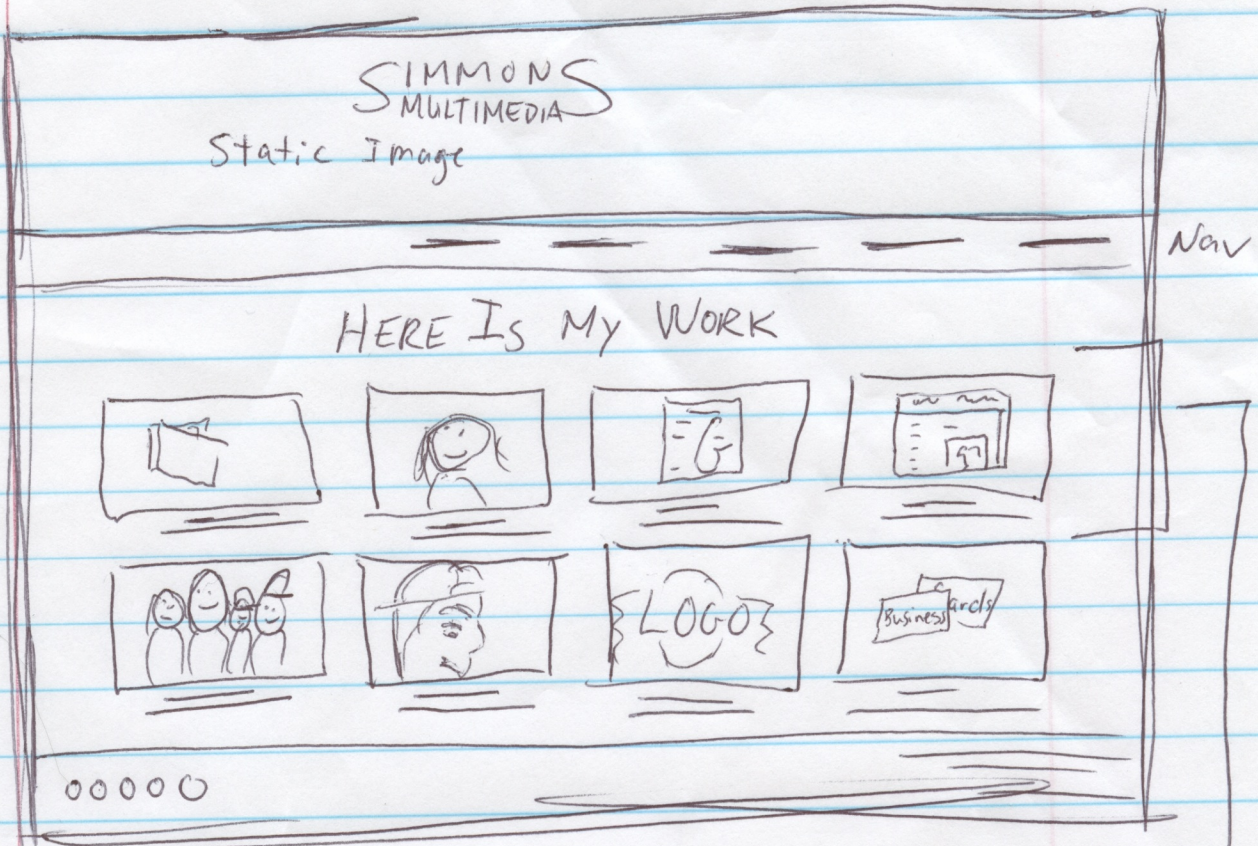

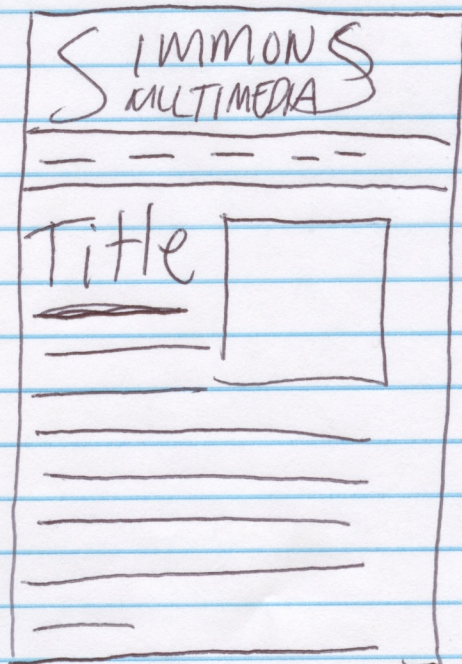

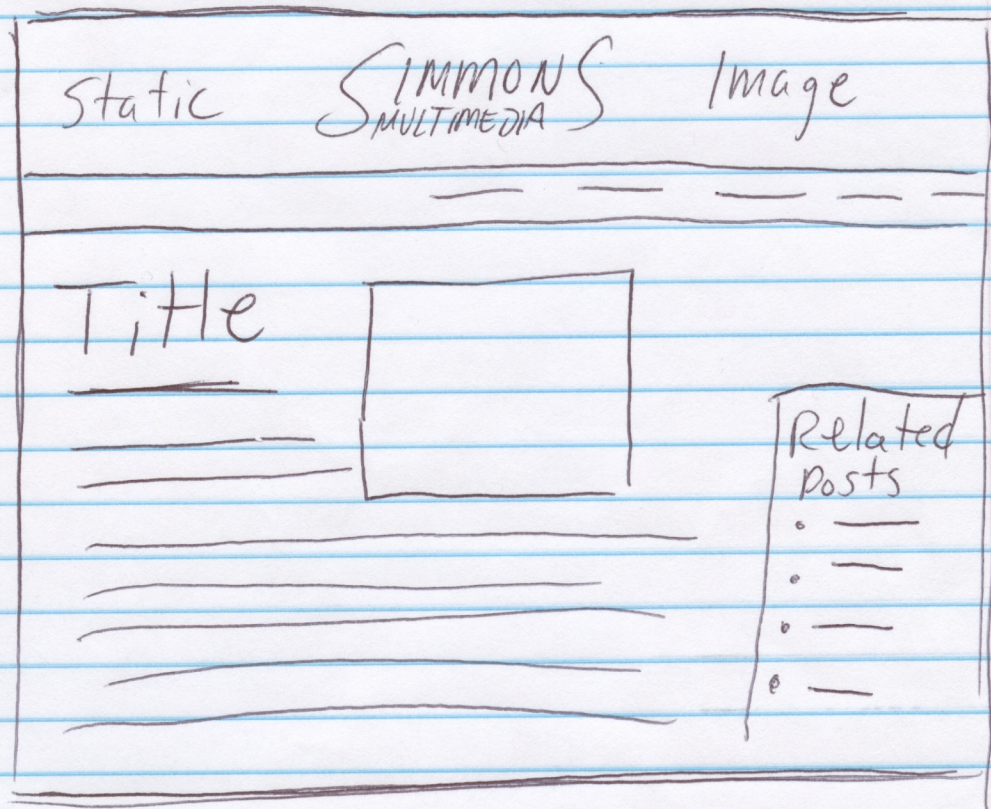

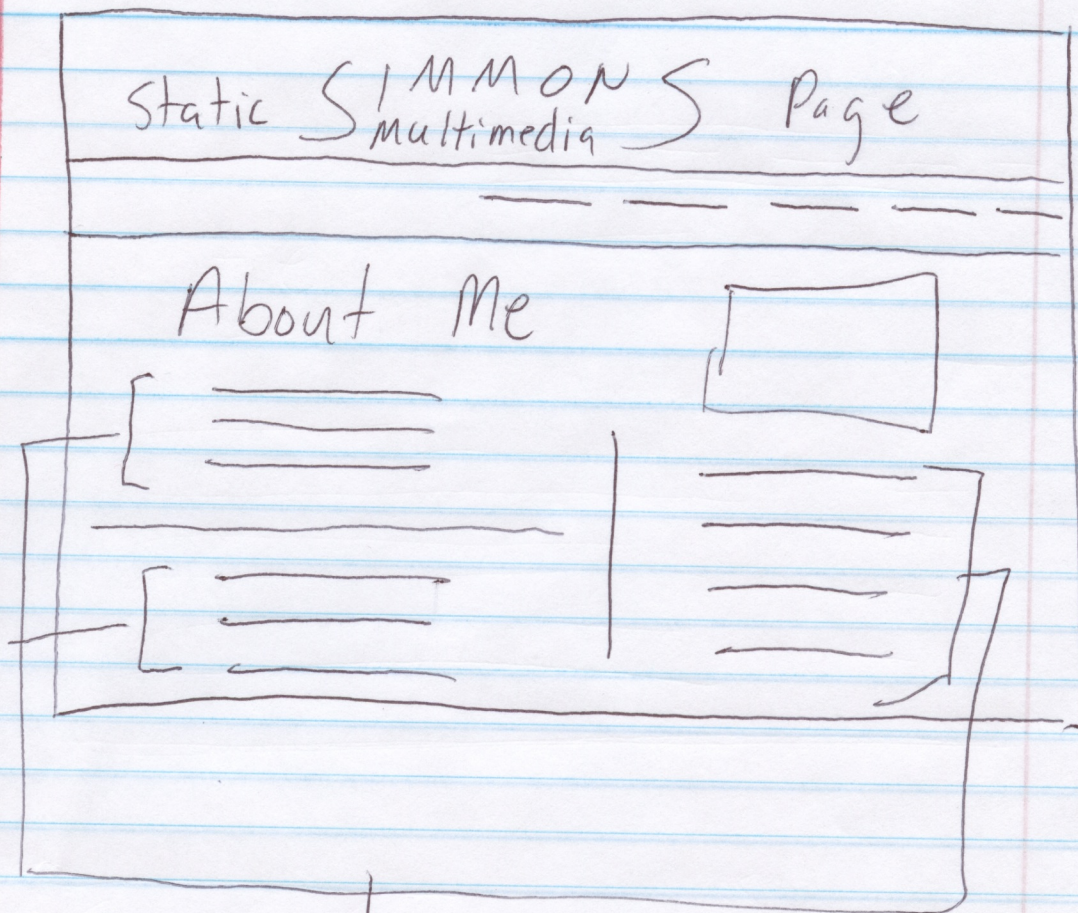

image of work with a title and description. The title and image act as links to the actual page

Blog Post

post's related
to current blog
post

Content Page

different thing like bio, qualification,
and work experience
